Oden Control AB

Valve specification

Company: _____

Contact person: _____

Valve manufacturer: _____

Valve type: _____

DN: _____

❒ **Turning movement:**

Maximum torque: _____ Nm

Working range: _____ °

Speed: _____ sec/90°

Precision: ± _____ °

Surrounding temperature: _____ °C

Medium temperature: _____ °C

❒ **Linear movement:**

Maximum force: _____ kN

Speed: _____ mm/min

Position accuracy: _____ mm

Stroke: _____ mm

Surrounding temperature: _____ °C

Medium temperature: _____ °C

Other information:

Control signal:	4-20 mA (standard)	Digital (option)
ATEX-certification required:	Yes	No
Hand wheel required:	Yes	No
Mounting kit to fit valve required:	Yes	No
